FLOOR STAND

ROBUST STAND FOR MANY APPLICATIONS

The MultiQ In-Store Web Floor Stand is a robust and easy setup stand for a wide range of user applications. The MultiQ Floor Stand is suitable for MultiQ 15", 19" and 22" Media monitors and has slim lines; softened edges and a superior finish to ensure first-class appearance. The stand gives a clean impression as you can easily hide all cables and additional equipment inside the stand.

FLEXIBLE DESIGN

The MultiQ monitors can be mounted in landscape or portrait depending on the application needs. The angled monitor and height of the MultiQ Floor Stand give the best usage conditions for many kiosk applications.

The MultiQ Floor Stand can on request be customized and delivered in any color or with printed logos.
